In Dedication of

PINCKNEYVILLE COMMUNITY HIGH SCHOOL ANNEX

The student body is proud of the new agriculture shop and classroom with its soil testing laboratory, the industrial arts shop, and our new gymnasium, all of which compose the annex.

Steve Reel, President

Faye Stumpe, Secretary

Administration

One of the most important groups in PCHS, the administration is highly responsible for the success and smoothness with which our school operates. These "people behind the scenes," are always ready to help the students in any way possible. The distinguished looking gentlemen on the staff are the principal, Mr. Keene, and Mr. Quillman, his able assistant. The secretaries, Misses Margenthaler and Singer, are the efficient ladies who complete the staff.

Dear Duster,
I am glad I had you for my algebra and Geometry teacher. I am sure I couldn't have learned as much as I did if someone else would have been my teacher. I really have enjoyed being in your classes.
